EDUCATION

Bachelor of Technology in Computer Science

Kalinga Institute of Industrial Technology(KIIT)

- CGPA – 8.20

09/2023 – Present

Class XII ISC

Little Flower School

- 76% Cumulative Score Percentage

2022 – 2023

Secondary School Certificate

Little Flower School

- 91.9% Cumulative Score Percentage

2020 – 2021

INTERNSHIP EXPERIENCE

Full Stack Developer Intern, TATA Steel

Project: Full-Stack Web Application | Authentication, Product Catalog, AI Chatbot

- Engineered web platform with authentication + RBAC, improving data security by 40%
- Developed AI assistant for 150+ products, reducing query time by 35%
- Designed REST APIs handling 1,000+ requests/day, enabling scalable operations
- Optimized MongoDB storage for 100+ records, improving retrieval speed by 25%

05/2025 – 06/2025

Jamshedpur, India

PROJECTS

Personal Knowledge Twin (PKT) | GenAI, Semantic Search, LLMs

- Built RAG pipeline indexing 1,500+ documents, boosting response accuracy by 30%
- Implemented FastAPI search achieving <200 ms latency, improving user experience
- Integrated memory layer supporting 60+ queries/min, enhancing conversation flow
- Created React interface with chat history + LLM integration, increasing usability

Fake Handwriting and Signature Detection | Machine Learning, Computer Vision, Deep Learning

- Constructed CNN model trained on 4,300+ images, enabling robust classification
- Improved accuracy from 44% → 78%, achieving ~77% performance gain
- Established real-time pipeline reducing verification delay by 50%
- Delivered multilingual UI supporting 2 languages, expanding user accessibility

SKILLS

Programming Languages

Java, C, Python

Frameworks

HTML, CSS, JavaScript, ReactJS, Node.js, REST APIs

AI/Machine Learning & Data Science

TensorFlow, Keras, Scikit-learn, OpenCV, NumPy, Pandas, Matplotlib

Databases

MySQL, MongoDB

GenAI/LLM Tools

Ollama, Hugging Face Transformers, LangChain (learning), Vector Databases (FAISS/ChromaDB)

Developer Tools

Visual Studio Code, Git, GitHub, Postman, Cisco Packet Tracer, Jupyter Notebook

CS Fundamentals

DSA, DBMS, OOPS, OS, CN

CERTIFICATES

- Web Development Bootcamp (Udemy, 2025)
- Oracle Cloud AI Foundations Associate (2025)
- GEN AI with LLM – Coursera
- SAP Data Analysis
